

## NoMachine Subscription and Support Agreement

This Subscription and Support Agreement (the "Agreement") is between NoMachine S.à r.l. ("NoMachine", "us", "we" or "our") and any purchaser or user (referred to as "Customer", "you", "your") of NoMachine products and services that accepts the terms of this Agreement.

PLEASE READ THIS AGREEMENT CAREFULLY BEFORE PURCHASING OR USING NOMACHINE PRODUCTS AND SERVICES. BY USING OR PURCHASING NOMACHINE PRODUCTS OR SERVICES, CUSTOMER SIGNIFIES ITS ASSENT TO THIS AGREEMENT. IF YOU ARE ACTING ON BEHALF OF AN ENTITY, THEN YOU REPRESENT THAT YOU HAVE THE AUTHORITY TO ENTER INTO THIS AGREEMENT ON BEHALF OF THAT ENTITY. IF CUSTOMER DOES NOT ACCEPT THE TERMS OF THIS AGREEMENT, THEN IT MUST NOT USE OR PURCHASE NOMACHINE PRODUCTS AND SERVICES.

The Effective Date of this Agreement is the date that Customer signs or accepts this Agreement or the date that Customer purchases NoMachine's Subscriptions or Services.

### Terms and Conditions

#### 1. Definitions

**"Services"** as used in this Agreement means delivery of Software, updates and upgrades of the Software; NX Server and other NoMachine- or NX-branded software components provided by NoMachine; the delivery of service components including the "NoMachine Network Service"; and the applicable level of production support services for the purchased Subscription.

**"NoMachine Enterprise Software"** means any product from the NoMachine for Enterprise suite, but not the free NoMachine version.

**"Network Subscription"** means any product from the NoMachine Network suite.

**"Software"** means any NoMachine-branded software or NX-branded software programs and all modifications, additions or further developments thereto delivered by NoMachine which are not Beta or Alpha status.

**"Subscription"** or **"Subscriptions"** refer to what Customer purchases from NoMachine in order to access the Services as set forth in the applicable quote or ordering document. This can be a Subscription for NoMachine Enterprise Software and/or NoMachine Network.

**“Standard Support”** means the support services provided by default when purchasing a Subscription from NoMachine as outlined in Appendix 1.

**“Installed System”** means System on which Customer installs the Enterprise Software and for which Customer has purchased an Enterprise Subscription.

**“Network Connection”** means the connection, for which Customer has a valid NoMachine Network Subscription, between the machines where the Software has been installed.

**“System”** means the combination of CPU cores and other hardware on which the Software is installed, which may be, without limitation, a server, a workstation, a virtual machine, a blade, a partition, an engine, as applicable.

**“Contract Term”** means the period commencing on the date of initial purchase of any Services and ending on one (1) month or one (1) year thereafter, unless agreed otherwise with NoMachine and stated in the invoice, and any subsequent one- month or one-year periods during which Customer renews Services.

**“Operating System”** means the operating system family for which Services are required, for example Linux, Windows, macOS, as made available by the manufacturer in its original factory settings including subsequent updates certified by the manufacturer. Any changes to the Operating System not certified by the manufacturer which break compatibility with the Software constitute a different Operating System and may disqualify Customer from receiving Services. Should an Operating System be discontinued during the term of this Agreement, NoMachine will have the option to continue supporting Customer on that platform for one year or issue Customer with a pro-rata refund.

**“Operating System Version”** means the exact version release of the Operating System that the Customer wishes to use, such as RHEL 7.0, Fedora 36, Windows 10, macOS 13 etc.

**“Supported Hardware, Operating System and Operating System Versions”** means hardware, or operating system and its version that functions with the Software and components contemplated for use with the Software. Information regarding the NoMachine supportability status of hardware systems, Operating Systems and Operating System Versions as revised from time to time, can be found at <http://www.nomachine.com>.

**“Supported Applications”** means the range of software applications NoMachine technology works with which are those applications installed by default by the OS manufacturer on Linux, Windows and Mac operating systems.

1. Default Windows-shipped applications
2. Default Mac OS X-shipped applications
3. Default Linux-shipped applications for Ubuntu, Debian, Red Hat, Suse/OpenSuse, CentOS and Fedora distributions.

Information regarding the NoMachine supportability status of supported applications, as revised from time to time, can be found at: [www.nomachine.com](http://www.nomachine.com).

## 2. Term and Termination

**2.1 Term and renewal.** The Term of this Agreement shall be for the duration of all Services pursuant to this Agreement. The initial Term for Services shall commence on the Effective Date of this Agreement and shall continue for a period of one (1) year when activated with NoMachine Enterprise Software, unless agreed otherwise with NoMachine and stated in the Customers' Purchase Order or the invoice issued by NoMachine. Services activated when purchasing a Network Subscription shall continue for one (1) month or one (1) year according to the chosen subscription period. By default, the renewal term for Subscriptions is for the same duration as the billing term for the original Subscription. The term for Services will renew automatically unless Customer gives notice to NoMachine of its intention to not renew before the termination of the subscription period, and notice must occur at least 7 days before the subscription is set to expire. Any renewal of Services ("Renewal Term") will start from the previous expiry in order to continue to receive the Services and is payable at the applicable annual or monthly rate available on the NoMachine website [www.nomachine.com](http://www.nomachine.com) (the "Website") or as quoted by NoMachine.

**2.2 Termination for Breach.** Notwithstanding anything to the contrary contained in the EULA, NoMachine may terminate this Agreement (a) in the event Customer fails to pay an invoice when due and doesn't pay such invoice within thirty (30) days of receiving notice of the failure to pay, (b) in the event Customer commits a material breach of this Agreement and fails to remedy that breach within thirty (30) days of receipt of written notice of material breach, or (c) as otherwise provided in this Agreement. Customer may terminate this Agreement in the event NoMachine commits a material breach of this Agreement and fails to remedy that breach within thirty (30) days of receipt of written notice of material breach. Without prejudice to any other right or remedy of NoMachine, in the event either party terminates this Agreement, Customer will pay NoMachine for all Services provided up to the effective date of termination.

**2.3 Effect of Termination.** If this Agreement is terminated for any reason, Sections 2.3, 3, 4, 7, 8, 9, 10 and 11 of this Agreement will survive such termination.

### 3. Pricing, payment and fees

**3.1 Fees and Expenses.** Unless otherwise specified in the Agreement, NoMachine shall invoice the respective fee for Services at the date of the Contract Term, and, if applicable, subsequently at the beginning of each Renewal Term (collectively, the “Fees”) for the Services. For Services related to Enterprise Software, Customer agrees to pay NoMachine for each Installed System. The parties agree that the terms of this Agreement will govern future purchases by Customer of additional units of any or all of the Services listed herein. Unless otherwise agreed by the parties in writing, during the term of this Agreement, such additional units can be purchased and renewed at the rates made available on the Website, exclusive of taxes and expenses, if any, or as agreed between the parties. Customer is responsible for the payment of any and all such taxes. Bank and credit card charges shall be borne by the Customer. NoMachine reserves the right to amend subscription Fees or institute new Fees at any time upon reasonable advance notice posted on the Website, on your NoMachine Account, or sent via email. Any changes to the pricing will not affect your current subscription period and will become effective upon Subscription renewal.

**3.2 Recurring Payment.** All Subscriptions renew automatically by default at the completion of the billing term. If supported by your payment method, payment of the Fees is recurring. By default, recurring payment for any purchase is turned on when you use a payment method that supports recurring payment (credit card and Paypal), and turned off when you use a payment method that does not support recurring payment (such as bank transfer). Recurring payment can be revoked from within the User Area at least 7 days before the subscription renews using the revoke button.

**3.3 Canceling your Subscription.** You may cancel your Subscription for any reason within 14 (14) calendar days of your initial purchase and you will receive a full refund of the amount you paid. Refunds beyond the 14-day purchase window will be considered at the sole discretion of NoMachine. If Customer can demonstrate that the Services were not available or usable during the subscription period and that reasonable attempts were made to contact NoMachine to resolve the issue, NoMachine may provide the Customer with a pro-rata refund of Fees paid during the period when the Services were not available or usable. Refunds are generally processed within seven (7) days, and are made to the original form of payment used for purchase. All refunds are sent in USD or EURO and therefore the refund amount could differ from the amount originally paid in local currency (e.g., due to foreign exchange and processing charges linked to your method of payment).

**3.4 Pricing and Invoicing.** Customer agrees to provide NoMachine with accurate and complete billing information (including legal name, address, telephone number, and billing or credit information). Customer will report to NoMachine all changes to this information within thirty (30) days of the change. NoMachine reserves the right to suspend or cancel

performance of all or part of the Services and/or change its credit terms if actual payment has not been received within sixty (60) days of the invoice date. All fees are stated, and must be paid, in United State Dollars or Euros. If NoMachine has approved Customer to be invoiced, then NoMachine will invoice Customer for the total fees at the time of execution of the Agreement, and payment shall be due within thirty (30) days of the invoice date and any additional fees shall be due within thirty (30) days of the invoice date. NoMachine may not change the terms of this Agreement during a Contract Term for which Customer has paid the applicable Fees, provided, however, that this Agreement is subject to change by NoMachine, in NoMachine's sole discretion, upon any renewal of the Services by Customer. At each such time of renewal, NoMachine's then-current terms and conditions for the Services shall be provided to Customer prior to the renewal.

**3.5. Chargebacks.** We reserve the right to immediately suspend access to the Services, without prior notice, in the event we receive notice of a Chargeback (as defined below). Contacting your bank or credit / debit card provider and rejecting, cancelling or contesting the charge of any fees payable in connection with your use of the Services (a "**Chargeback**") will be considered a breach of your payment obligations under these Terms. We also reserve the right (although we are not obliged) to dispute any Chargeback received in connection with your NoMachine Account. We may choose to delete your NoMachine Account and take reasonable steps to restrict your future access to our Services if we believe at our sole discretion that you have maliciously requested a Chargeback.

**3.6 Taxes.** If Customer is required under any applicable law or regulation, domestic or foreign, to withhold or deduct any portion of the payments due to foreign, federal, state, or, excise, use, or similar taxes, then the sum payable to NoMachine will be increased by the amount necessary so that NoMachine receives an amount equal to the sum it would have received had Customer made no withholdings or deductions.

## **4. License and Ownership**

**4.1 Software and Network Service.** Customer will have rights to the Software set forth in the EULA in Appendix 2, as applicable. As between the parties, NoMachine retains all right, title and interest in and to the Software (including any customization and Release Versions) and Network Service, and in all copies, modifications and derivative works including, without limitation, all rights to patent, copyright, trade secret, know-how, trademark and other proprietary or intellectual property rights.

**4.2 Marks.** In entering this Agreement, no right or license, express or implied, is granted hereunder for the use of any of NoMachine or Customer trade names, service marks or trademarks.

**4.3 Enterprise Subscriptions.** Each Subscription for Enterprise Software grants you one (1) license to use the Enterprise Software and receive the associated services as declared in Appendix 1.

**4.4 Network Subscription.** Each paid monthly or yearly Subscription grants you one (1) license to use the NoMachine Network Service to connect to your remote computers from a given device, and to receive the associated Services as declared in Appendix 1. You can be logged in to the Network Service on an unlimited number of devices. You can run as many Network Connections as your Network Subscription permits from one of your devices.

## **5. Assistance**

Customer may provide NoMachine access to the Installed Systems, if entitled, and other client information, systems, and software ("**Customer Information**") as reasonably requested by NoMachine to enable NoMachine to provide the Services. Customer understands and agrees that the completeness and accuracy of and extent of access to the Customer Information provided to NoMachine may affect NoMachine's ability to provide Services. Customer will obtain any third party consents necessary to grant NoMachine access to the Customer Information that is subject to proprietary rights of, or controlled by, any third party. Customer may, for legitimate security concerns, deny NoMachine certain access to Customer Information and the Installed Systems, provided, however, that NoMachine shall be relieved from performing Services which reasonably require such access.

## **6. Reporting and Audit**

**6.1 Reporting.** Customer will promptly notify NoMachine if the number of Installed Systems exceeds the number of Installed Systems for which Customer has paid the applicable fee. In its notice, Customer will include both the number of additional Installed Systems and the date(s) on which such Installed Systems were put into use. NoMachine will invoice Customer for the applicable Services for such Installed Systems on a pro-rata basis and Customer will pay for such Services in accordance with this Agreement.

**6.2 Audit.** During the term of this Agreement and for one year thereafter, subject to Customer's reasonable security policies and procedures, Customer expressly grants to NoMachine the right to audit Customer's use of the Installed Systems, including any records reasonably relevant to such use, for the sole purpose of verifying Customer's compliance with the terms and conditions of this Agreement. Any such audit shall only take place during Customer's normal business hours and interfere as little as possible with Customer's business activities, and upon no less than thirty (30) days prior written notice from NoMachine. NoMachine shall conduct no more than one such audit in any twelve-

month period except for the express purpose of assuring compliance by Customer where non-compliance has been established in a prior audit. Any information disclosed by Customer pursuant to this section shall be Customer's Confidential Information.

NoMachine shall give Customer written notice of any non-compliance, and if a payment deficiency exists, then Customer shall have thirty (30) days from the date of such notice to make payment to NoMachine for any payment deficiency. The amount of the payment deficiency will be determined by multiplying the number of under-reported Server/Node Subscriptions by the annual fee for such item. If Customer is found to have under-reported the number of NoMachine Server and NoMachine Nodes by more than five percent (5%), Customer shall, in addition to the annual fee for such item, pay liquidated damages equal to twenty percent (20%) of the under-reported fees for loss of income and administration costs suffered by NoMachine as a result.

## **7. Limitation of liability and Disclaimer of Damages**

**7.1 Limitation of Liability.** FOR ALL EVENTS AND CIRCUMSTANCES, NoMachine AND ITS AFFILIATES' AGGREGATE AND CUMULATIVE LIABILITY ARISING OUT OF OR RELATING TO THIS AGREEMENT, INCLUDING WITHOUT LIMITATION ON ACCOUNT OF PERFORMANCE OR NON-PERFORMANCE OF OBLIGATIONS, REGARDLESS OF THE FORM OF THE CAUSE OF ACTION, WHETHER IN CONTRACT, TORT (INCLUDING WITHOUT LIMITATION, NEGLIGENCE), STATUTE OR OTHERWISE, WILL BE LIMITED TO DIRECT DAMAGES AND WILL NOT EXCEED THE AMOUNT THAT CUSTOMER PAID TO NoMachine UNDER THIS AGREEMENT DURING THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE FIRST EVENT GIVING RISE TO THE LIABILITY.

**7.2 Disclaimer of Damages.** NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, IN NO EVENT WILL EITHER PARTY OR ITS AFFILIATES BE LIABLE TO THE OTHER PARTY OR ITS AFFILIATES FOR: ANY CLAIM BASED UPON A THIRD PARTY CLAIM; ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL, INDIRECT, EXEMPLARY OR PUNITIVE DAMAGES, WHETHER ARISING IN TORT, CONTRACT, OR OTHERWISE; OR FOR ANY DAMAGES ARISING OUT OF OR IN CONNECTION WITH ANY MALFUNCTIONS, DELAYS, LOSS OF DATA, LOST PROFITS, LOST SAVINGS, INTERRUPTION OF SERVICE, LOSS OF BUSINESS OR ANTICIPATORY PROFITS, EVEN IF NoMachine OR ITS AFFILIATES HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

## **8. Confidentiality & Privacy**

**8.1 Confidentiality.** Customer and NoMachine agree to maintain the confidentiality of the proprietary information received by the other party including non-public technical and business information ("**Confidential Information**") for a period of two (2) years after the

termination of this Agreement. NoMachine's pricing and product roadmap are NoMachine's Confidential Information. This section shall not apply to any publicly available or independently developed information.

**8.2 Data protection.** NoMachine strictly complies with applicable data protection law. NoMachine collects, processes and uses data of Customer for the implementation and processing of the contractual relation with Customer. NoMachine may disclose customer Data to trusted third parties who are integral to the operation of our Website and Services for a variety of purposes in connection with providing Services to Customer. Data of Customer is not shared with third party advertisers. Non-personal or anonymous data may be collected automatically to improve functionality and the Customers' experience with the Software and the Services. Details about collection, processing, and use of personal data by NoMachine are described in NoMachine's Privacy Policy available on our website (<https://www.nomachine.com/AR05P00977>).

## 9. Representations and Warranties

**9.1 General Representations and Warranties.** NoMachine represents and warrants that: (a) it will use reasonable skill and care in providing the Services; (b) the Services will be performed in a professional and workmanlike manner by qualified personnel; (c) it has the authority to enter into this Agreement with Customer; and (d) to NoMachine's knowledge, the Software does not intentionally include malicious or hidden mechanisms or code for the purpose of damaging or corrupting the Software.

**9.2 Disclaimer of Warranty.** EXCEPT AS EXPRESSLY PROVIDED IN THIS SECTION 9.1, THE SERVICES AND THE SOFTWARE ARE PROVIDED "AS IS" AND WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE. THE WARRANTIES IN THIS SECTION 9 ARE THE SOLE AND EXCLUSIVE WARRANTIES (EXPRESS OR IMPLIED) WITH RESPECT TO THE SUBJECT MATTER OF THIS AGREEMENT. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY NoMachine, ITS AFFILIATES, DEALERS, DISTRIBUTORS, AGENTS OR EMPLOYEES WILL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF ANY WARRANTY PROVIDED HEREIN. NoMachine DOES NOT GUARANTEE OR WARRANT THAT THE USE OF THE SERVICES OR SOFTWARE WILL PROVIDE UNINTERRUPTED USE OR BE ERROR FREE.

## 10. Governing Law/Consent to Jurisdiction

These Terms of Use and any dispute or claim arising out of, or related to, them, their subject matter or their formation (in each case, including non-contractual disputes or claims) shall be governed by and construed in accordance with the internal laws of

Luxembourg without giving effect to any choice or conflict of law provision or rule.

## 11. Miscellaneous

**11.1 Notices.** Notices must be in English, in writing, and will be deemed given when delivered by hand or five (5) days after being sent to the address indicated below using a method that provides for positive confirmation of delivery: NoMachine S.à r.l. - 21, Rue Philippe II - Luxembourg - L-2340 – Grand Duchy of Luxembourg, and to Customer at the address or e-mail address indicated at the time of purchase. **11.2 Assignment.** This Agreement is binding on the parties to this Agreement, and nothing in this Agreement confers upon any other person or entity any right, benefit or remedy of any nature whatsoever, save for the parties' affiliates as expressed in Section 7. This Agreement, and all Services provided by NoMachine pursuant to this Agreement, may not be transferred, assigned or distributed without the prior written consent of NoMachine, provided, however, that Customer may assign, transfer or sublicense the aforementioned rights, (i) to any entity controlling, controlled by, or under common control with Customer or (ii) pursuant to a merger, consolidation, or sale of substantially all of Customer's business or assets. Any attempted transfer, assignment or distribution without NoMachine's prior written consent shall terminate this Agreement, and NoMachine shall have no further obligation hereunder. **11.3 Subcontracting.** NoMachine may subcontract Services under this Agreement to third parties or affiliates without the prior approval of Customer; provided, however, that (a) subcontractors must agree to keep any proprietary information received from NoMachine or Customer confidential, and (b) NoMachine remains responsible to Customer for the performance of its obligations hereunder. Customer acknowledges and agrees that to provide the Services, it may be necessary for Customer Information to be transferred between NoMachine, its affiliates, and/or subcontractors which may be located worldwide. **11.4 Independent Contractor.** NoMachine is an independent contractor and nothing in this Agreement will be construed to create an employee relationship between Customer (or any Customer personnel) and NoMachine (or any NoMachine personnel). NoMachine will be solely responsible for payment of applicable taxes, deductions or other payments and benefits for its personnel. **11.5 Force Majeure.** Neither party will be liable for non-performance or delays caused by acts of God, wars, riots, strikes, fires, floods, earthquakes, government restrictions, terrorist acts or other causes beyond its reasonable control. **11.6 Export Responsibilities.** NoMachine may supply Customer with technical data that is subject to export control restrictions. NoMachine will not be responsible for compliance by Customer with applicable export obligations or requirements for this technical data. Customer agrees to comply with all applicable export control restrictions. If Customer breaches this Section 11.6 or the export provisions of an applicable end user license agreement for the Software, or any provision referencing these sections, NoMachine may terminate this Agreement and/or the applicable Purchase Order and its obligations thereunder without liability to Customer. **11.7 Severability.** If any provision of this Agreement is held invalid or unenforceable for any reason but would be valid and

enforceable if appropriately modified, then such provision will apply with the modification necessary to make it valid and enforceable. If such provision cannot be so modified, the parties agree that such invalidity will not affect the validity of the remaining provisions of the Agreement; provided, however, that if Sections 5, 7 and 9 cannot be modified to be valid and enforceable, this Agreement will be deemed invalid in its entirety. **11.8 Non-solicitation.** Customer agrees not to solicit or hire any personnel of NoMachine with whom Customer has had direct contact in connection with providing the Services to Customer during the term of and for twelve (12) months after termination or expiration of Agreement; provided that Customer may hire an individual employed by NoMachine who, without other solicitation, responds to advertisements or solicitations aimed at the general public. **11.9 Waiver.** Failure or delay on the part of any party to exercise any right, remedy, power or privilege hereunder will not operate as a waiver or forfeiture of such rights. No waiver will be valid unless in writing and signed by an authorized representative of the party against whom such waiver is sought to be enforced. **11.10 Dispute Resolution.** If Customer is not satisfied with the Services provided by NoMachine Customer agrees to give NoMachine a written description of the problem(s) and to make a good faith effort to amicably resolve the problem with NoMachine before commencing any proceeding. NoMachine also agrees to make a good faith effort to amicably resolve any problem with Customer before commencing any proceeding. No claim or action, regardless of form, arising out of this Agreement may be brought by either party more than one (1) year after the cause of action has accrued. **11.11 Complete Agreement.** This Agreement constitutes the exclusive terms and conditions with respect to the subject matter hereof, notwithstanding any different or additional terms that may be contained in the form of purchase order or other document used by Customer to place orders or otherwise effect transactions hereunder. This Agreement represents the final, complete and exclusive statement of the agreement between the parties with respect to subject matter hereof and all prior written agreements and all prior and contemporaneous oral agreements with respect to the subject matter hereof are merged therein. Any claim relating to the provision of the Services by NoMachine, its affiliates and their personnel will be made against NoMachine alone. **11.12 Amendment.** This Agreement may not be amended, supplemented or modified except by a written instrument signed by the parties hereto, which instrument makes specific reference to this Agreement.

## APPENDIX 1

### SUBSCRIPTIONS & ASSOCIATED SUPPORT SERVICES (“Services”)

This Appendix describes Services available from NoMachine related to Subscriptions available for NoMachine Enterprise Software, and NoMachine Network, which can be used with the Software. The Services may be used only by and for the benefit of Customer its affiliates (including through its authorized contractors and agents) and only for the Installed Systems and Network Connections for which Customer has purchased Services.

NoMachine will provide only those Services purchased by Customer in possession of a valid Subscription. Any unauthorized use of the Services is a material breach of the Agreement.

## **1. NoMachine Support Coverage**

**1.1 Enterprise Software Subscriptions.** A Standard Subscription entitles Customer, for the Contract Term, to receive access to: a) unlimited support enquiries related to the Installed Systems via the NoMachine Support Portal on the Website with response times and availability as described in section 3.2; (b) the applicable Software via the Website or a dedicated download area, (c) updates, upgrades, corrections and bug fixes to the applicable Software, when and if available, from the Website or dedicated download area and d) free minor and major upgrades; e) immediate email notification of security advisories, f) immediate email notification of software updates.

**1.2 Network Subscriptions.** A Standard Subscription entitles Customer, for the Contract Term, to receive access to: a) unlimited support enquiries related to Network Connections via the NoMachine Support Portal on the Website with response times and availability as described in section 3.2. Enquiries related to Installed Systems are permitted provided Customer owns a valid Subscription for Enterprise Software.

**1.3 Optional Enterprise Support Plans.** For an additional fee, Customer has the option to activate Premium Support (see 1.3.1 Premium Support) or Mission Support (see 1.3.2 Mission Support) when a given threshold of total annual expenditure for Enterprise Software Subscriptions has been reached. If, by canceling or not renewing Enterprise Software Subscriptions, the total annual expenditure drops below the expected threshold, customer automatically foregoes the right to receive Premium or Mission Support for the remaining subscriptions, and will receive the level of support corresponding to the new threshold.

**1.3.1 Premium Support.** Premium Support entitles Customer, for the Contract Term, to receive access to: (a) unlimited support enquiries related to the Installed Systems via the NoMachine Support Portal on the Website with response times and availability as described in section 3.2; (b) the applicable Software via the Website or a dedicated download area; (c) updates, upgrades, corrections and bug fixes to the applicable Software, when and if available, from the Website or dedicated download area; (d) free minor and major upgrades; (e) immediate email notification of security advisories; (f) immediate email notification of software updates; (g) priority support compared to Enterprise Products with Standard Support options described in 1.1. Priority support provides a quick response team that aims to respond to your issues in the fastest time possible; (h) phone support as described in 2.4;

**1.3.2 Mission Support.** Mission Support entitles Customer, for the Contract Term, to receive access to: (a) unlimited support enquiries related to the Installed Systems via the NoMachine Support Portal on the Website with response times and availability as described in section 3.2; (b) the applicable Software via the Website or a dedicated download area; (c) updates, upgrades, corrections and bug fixes to the applicable Software, when and if available, from the Website or dedicated download area; (d) free minor and major upgrades; (e) immediate email notification of security advisories, (f) immediate email notification of software updates; (g) priority support compared to Enterprise Products with Standard Support and Premium Support options described in 1.1 and 1.2. Priority support provides a quick response team that aims to respond to your issues in the fastest time possible; (h) phone support as described in 2.4.

## 2. Support Services

**2.1 Designated Customer Contact.** NoMachine will provide Services to Customer only by communication with the Customer's designated technical contact or contacts ("Support Contacts"). Customer is entitled to the number of Support Contacts set forth in the Customer Support Contacts table below. Customer shall use commercially reasonable efforts to maintain consistent Support Contacts during the term of this Agreement. Customer may not use a single Support Contact to act as a mere forwarding service for other personnel. The Support Contact may not use Services on the basis of this Agreement to benefit any person or entity other than the Customer. Each Support Contact must have read and/or write access to all necessary files. Each Support Contact must have English language communication skills and the relevant technical knowledge necessary to assist NoMachine in performing the Services contemplated under this Agreement.

Number of Installed Enterprise Software Subscriptions	Number of Support Contacts
1 to 25	2
26-50	3
51-100	4
101-250	6
251-500	8
501+	12

**2.2 Support Portal.** Customer may initiate request for Services through the web-based Support Center on NoMachine's web site using the English language, located in the

Customer's User Area <https://users.nomachine.com/>. The Support Contact is entitled to log in to the portal and use the Support Enquiries application to submit a request for any covered Services. Each submitted request is given a unique identification number.

**2.3 Support Coverage.** Support is provided in the English language. NoMachine does not provide support for (a) any underlying infrastructure or for any third party products; (b) Software that (i) you (or a third party) have modified or recompiled, (ii) is running on hardware, operating systems or applications that are not Supported Configurations. You are responsible for testing the Software before deploying it in your environment, backing up your systems on a regular basis and having those backups available if needed for support purposes. Except as otherwise expressly stated, Support does not include data migration (of Software or Installed Systems) or data recovery support.

**2.4 Phone Contact (Premium and Mission only).** When requesting assistance during or outside Business Hours as stated in paragraph 3.2, Customer can phone the number provided at the time of activating Premium or Mission Support to request assistance from a support engineer and/or request a call back. If a support enquiry has already been submitted via web, the support enquiry's ID should also be communicated. In the event a support engineer is unavailable to take your call directly, you will be called back according to the Response Time parameters.

**2.5 Customer Computer Systems.** Customer will be responsible for performing operations on Customer's computer system and NoMachine shall have no responsibility to perform operations on Customer's computer system. Customer acknowledges that NoMachine's ability to perform certain Support Services may be conditioned upon access to certain Customer Information and access to Customer's computer system as reasonably requested by NoMachine. Such information may include, but is not limited to, the type of hardware Customer is using, a description of the problem for which Customer seeks Support Services, and additional software Customer is using that falls outside the Support Services scope of coverage. Customer understands and agrees that the completeness and accuracy of the information Customer provides to NoMachine may affect NoMachine's ability to provide Support Services. The Support Services purchased by Customer are intended for use only for the benefit of the Customer and only for the Installed Systems and Network Connections with valid Subscriptions. Any unauthorized use of the Services will be deemed to be a material breach of this Agreement.

**2.6 Security Fixes.** Customer acknowledges that NoMachine's ability to notify customer of critical security fixes may be conditioned by Customer contact information. It is Customer's responsibility to ensure that NoMachine is provided with an updated email and phone contact. The number of contacts to be provided is set out in the section 3.3.

### 3. Service Level Information for the Support Services

**3.1 Scope of Services.** A valid Subscription for NoMachine Enterprise Software entitles Customer to receive technical assistance related to the Installed System. A valid Subscription for NoMachine Network entitles Customer to receive assistance for the Network Connection. Customers must purchase and renew Services for Subscriptions which belong to the same support level. For example, if Premium has been chosen for a set up of Cloud Server and Enterprise Desktop nodes, any additional Subscriptions must also be Premium level.

**3.2 Initial and Ongoing Response Times Guidelines.** A response to a request for Services shall consist of receipt of and/or acknowledgement by NoMachine of Customer's request for Services. NoMachine will use commercially reasonable efforts to respond promptly to each Support Request within the published response times. NoMachine does not guarantee resolution time as that may vary on the nature of the problem. A resolution may consist of a fix, workaround or other solution NoMachine deems reasonable.

With Premium/Mission Support Severity 1 (Critical) issues, NoMachine will use best efforts to provide a workaround or resolution until the incident can be downgraded to a lower severity, and response time adjusted accordingly.

The severity of a support case may be changed downwards by the NoMachine Support Team during the case resolution process as a result of the following developments:

- If a temporary or workaround solution is provided to mitigate the material impact of the problem;
- If Customer's authorized technical contact does not engage cooperatively in resolution efforts.
- If the customer overestimated the severity of the issue and consequently associated an incorrect level to the problem.

However, Customer acknowledges and understands that no software is perfect or error free and that, despite NoMachine's commercially reasonable efforts, NoMachine may be unable to provide answers to or resolve some or all requests for Services. NoMachine makes no promises, guarantees, or assurances of any kind that it will be able to resolve all Customer Services requests.

<b>Business Hours and Days</b>
Europe: 9:00 to 18:00 CET Monday-Friday

<b>Standard Support</b>	<b>Initial and Ongoing Response Times</b>
For all Subscriptions which have the default Standard Support	24 hours (web-based) 9:00 to 18:00 CET Monday-Friday

<b>Premium Support</b>	<b>Initial and Ongoing Response Times</b>
For all Subscriptions which have activated Premium Support	24 hours (web-based or phone-based) 7 days a week  4 hours (Critical tickets) 7 days a week

<b>Mission Support</b>	<b>Initial and Ongoing Response Times</b>
For all Subscriptions which have activated Mission Support	1 hour, all Severity levels, including critical (web-based or phone-based)  7 days a week

### 3.3 Severity Level Definitions

<b>Severity Level</b>	<b>Definition</b>
Severity One (Critical)	A severity one (1) issue is a catastrophic production problem which may severely impact the customer's production systems, or in which customer's production systems are down or not functioning; loss of production data and no procedural work around exists.
Severity Two (Serious)	A severity two (2) issue is a problem where the customer's system is functioning but in a severely reduced capacity. The situation is causing significant impact to portions of the customer's business operations and productivity. The system is exposed to potential loss or interruption of

Severity Level	Definition
	service.
Severity Three (Minor)	A severity three (3) issue is a medium-to-low impact problem which involves partial non-critical functionality loss. One which impairs some operations but allows the customer to continue to function. This may be a minor issue with limited loss or no loss of functionality or impact to the customer's operation and issues in which there is an easy circumvention or avoidance by the end user. This includes documentation errors.
Severity Four (Cosmetic)	A severity four (4) issue is for a general usage question or recommendation for a future product enhancement or modification. There is no impact on the quality, performance or functionality of the product.

#### 4. Services Conditions for Installed Systems

**4.1.** NoMachine may, at its discretion, decline to provide support services for Software that has been modified or changed by Customer in any way, except as directed by NoMachine.

**4.2.** NoMachine will provide Services for Supported Hardware, Operating System, Operating System Versions and Supported Applications on Installed Systems.

**4.3.** NoMachine will only provide Services for those Installed Systems and Network Connections which Customer has paid and subscribed to under this Agreement.

**4.4.** In the case of a change of Operating System or System the customer must notify NoMachine of any decision to change from the original installation set up at the time of subscription by contacting [sales@nomachine.com](mailto:sales@nomachine.com). The following conditions apply:

Change Type	Condition
Operating System	If changing from Linux to Windows for example, a new subscription and license is required. No charge. Permitted once a year.
System	No charge provided no change in number of CPU cores.

**4.5.** Customer acknowledges that if Customer makes modifications to the Supported Operating System or System, which constitute a change or break in the their compatibility with the Software, NoMachine reserves the right to deny Customer any Service.
